

Enterprise Awareness Egg Drop Challenge

Aim:

For all learners to be able to identify enterprise skills

Learning Objectives:

- Learners will gain knowledge of the enterprise skills
- Learners will work in teams to complete challenge
- Learners will reflect and evaluate on the enterprise skills they have used

Task 1 | Introduction: (5 –10 minutes)

Introduction to the session and the egg drop challenge. Learners to be introduced to the concept of enterprise and handed the “spot the skill” booklet. Provide examples to students on how they currently use the enterprise skills on a daily basis.

Task 2 | Egg drop challenge: (15 minutes)

Split students into teams of approx 5-7. Students using the resources and materials provided are to produce a device to stop the egg smashing when dropped from shoulder height. Each team will then present their device and demonstrate how it works.

Task 3 | Reflection: (5 minutes)

Students are to reflect on enterprise skills used within the challenge and feedback with examples of the skills used.

Resources needed

1. Paper/ Pens
2. Eggs, Balloons, cotton wool, string, elastic bands, sticky tape, paper clips, plastic cups, newspaper, plastic bag
3. Spot the Skill booklet
